It is also available online through [www.lovedazzle.com](http://www.lovedazzle.com), [www.madebyhandonline.com](http://www.madebyhandonline.com) and through my website [www.sarahpackington.com](http://www.sarahpackington.com)

**Inspiration**

I design my jewellery by playing with light, reflection, colour and pattern on strong yet simple graphic shapes.  
I hope my designs are unique, accessible and wearable.
